Columbia Springs, a 501 (c) 3 non-profit, is a 100-acre natural area with two miles of trails, encompassing the historic Vancouver Trout Hatchery. We have opportunities for learning across our site, both through scheduled programs and independent access.

Enjoy a unique nature experience without leaving town; feed the fish, walk the trails, have a picnic, and so much more at Columbia Springs. Learning opportunities and information are available in our Visitor Center.

Columbia Springs is an active fish hatchery and education center. Some areas may be closed for activities or maintenance.

Contact our office at **(360) 882-0936** to learn more.

Free parking in our public parking lot.

**Open 365 days a year from 5:00 a.m. to 8:00 p.m.**
