

**Make a new fall family tradition**

*Skip the crowded pumpkin patch and find your gourd in the forest!*

What's not to love about a chance to get outside, see wild animals, and spend time with family, all without leaving town? Join Columbia Springs and iQ Credit Union for Family Nature Fest on **Saturday, Oct. 22 from 10 a.m. to 2 p.m.!**

New to the event this year, 20+ pumpkins will be hidden around the site for you to find and take home, in addition to guided forest walks, live animal shows, fish hatchery tours, crafts, and activities from Friends of the Ridgefield National Wildlife Refuge, Columbia Gorge Refuge Stewards, Mount St. Helens Institute, and more!

[Click here for more information about Family Nature Fest!](#)

*Donate in support of Family Nature Fest! \$15 sponsors one low-income family's free-admission to the event.*

**DONATE NOW**

Columbia Springs is a nonprofit organization. We give thousands of children and adults eye-opening, memory-making, outdoor experiences every year. Join us by donating to support our programs. ***The more financial support we receive from our community, the more programs and events we can provide!*** All gifts are tax-deductible.
